National Prosecco Day — A Sparkling World Tour

A sparkling world tour — opening with our Prosecco “Ringer” (1, 3, 5 & 7), then five bottles from five countries, poured alongside Chef Fabrizio's paired small bites.

R Sorelle Bronca, Valdobbiadene Prosecco Superiore DOCG Brut (NV)

THE PROSECCO RINGER · ITALY · VENETO · VALDOBBIADENE DOCG · GLERA, BIANCHETTA, PERERA · SPARKLING WHITE

Straw yellow with greenish hues, lingering mousse, and a fine bead. A rich floral bouquet where wisteria and acacia take prominence, joined by fruity green-apple notes. The palate is crisp and polished — delightfully poised with balanced acidity and great tanginess. Sourced from the Borgo America, Guizza, Castella, and Borgo Aquile vineyards in San Pietro di Feletto-Colbertaldo (150-250m, 60% slope, 40-year-old vines, hand-harvested). Second fermentation by the Martinotti (Charmat) method — the “ringer” that shows what Prosecco Superiore can be when it's done right.

2 Los Dos, Cava Brut (NV)

SPAIN · CATALONIA · CAVA · MACABEO, XAREL-LO, PARELLADA · SPARKLING WHITE

Straw yellow with green highlights. Fresh, expressive aromas of green apple and pear layered with dried nuts and warm baked-bread notes from extended lees ageing. A classic Cava built for celebration — medium-structured, lively, and endlessly food-friendly. Bodegas Borsao produces Los Dos in the D.O. of Campo de Borja; the name is Spanish for “the two,” a nod to the pairing spirit of the wine.

4 Graham Beck, Brut Méthode Cap Classique (NV)

SOUTH AFRICA · WESTERN CAPE · CHARDONNAY, PINOT NOIR · SPARKLING WHITE

A beautiful harmony of lengthy Chardonnay and fragrant Pinot Noir, with a fine, persistent mousse. Bright freshness and finesse are met by elegant ripe fruit and light yeast aromas, opening into a rich, creamy palate. Graham Beck established a state-of-the-art cellar in Robertson in 1983, and Cap Classique has been the family's signature ever since — a benchmark bottling widely served at heads-of-state occasions.

6 Fitz-Ritter, Riesling Sekt Dürkheimer Hochbenn (NV)

GERMANY · PFALZ · RIESLING · SPARKLING WHITE · CERTIFIED ORGANIC · VDP

Ripe, fruity Riesling on the nose with red-berry and tropical-fruit perfume, yet fully dry on the palate with a bright grapefruit finish. The Fitz-Ritter estate dates to 1785 and is today led by the ninth generation. Certified organic, VDP-member, and a founding house of the elite Verband Deutscher Prädikatsweingüter. Sparkling wine production at Fitz-Ritter began in 1837 — among the very oldest in Germany.

8 Gusbourne, Brut Reserve (2022)

ENGLAND · KENT · CHARDONNAY, PINOT NOIR, PINOT MEUNIER · SPARKLING WHITE

A vintage-declared English sparkling of remarkable precision. Fastidious estate viticulture, predominantly Burgundian clones planted in 2004, and a minimal-intervention approach yield a wine that sits beautifully between old-world tradition and new-world clarity. Since the debut 2006 vintages, Gusbourne has been released to critical acclaim — a showcase pour and one of the flight's statement bottlings.

10 Sula Vineyards, Brut Tropicale Crémant de Nashik (NV)

INDIA · MAHARASHTRA · NASHIK · PINOT NOIR, SYRAH, CHENIN BLANC, CHARDONNAY · SPARKLING WHITE

A pale-coral bubbly bursting with passion fruit and peachy aromas, with a prolonged finish of red berries on the palate. Sula is India's leading premium wine producer, holding a majority share of the domestic market. Founded in 1999 by CEO Rajeev Samant, Sula's estate vineyards sit in the idyllic Nashik Valley of northern Maharashtra — roughly three hours from Mumbai. Nashik is now known as the ‘Cradle of Indian Wine,’ producing around 80% of the country's wine, and Sula is recognized as India's No. 1 Quality Winery — a fitting global finale.
